## Bahru Stainless Recognized in Turkish Industry Media Following Malaysia–Türkiye Collaboration

Bahru Stainless' recent Memorandum of Understanding with Paslanmaz Sanayici ve İş İnsanları Derneği (PASİD) has received coverage across reputable Turkish industry and business media in Türkiye.

The coverage highlights Malaysia's growing role through Bahru Stainless as an alternative and reliable stainless steel production and sourcing partner for the Turkish market, supporting industry cooperation, market development, and supply chain diversification.

The collaboration reflects industry-level engagement

aimed at strengthening cross-border cooperation.
