## Customer from Australia, Midway Metal, to Bahru Stainless for a Plant Visit and Strategic Discussion

We were pleased to welcome our valued customer from Australia, Midway Metal, to Bahru Stainless for a plant visit and strategic discussion.

The engagement provided an opportunity to align on commercial expectations, product quality requirements, and potential future order collaboration to support the Australian market. Such visits reinforce our role as a reliable regional manufacturing partner supporting international customers with consistent supply, quality assurance, and operational transparency.

As we continue to strengthen our global footprint, we value partnerships that are built on trust, performance, and long-term mutual growth.
