Worldwide Stainless Sdn. Bhd. has finalised its USD 95 million acquisition of Bahru Stainless Sdn. Bhd., marking the beginning of a synergistic chapter for Malaysia's stainless steel industry.

With operations fully resuming today to ring in this monumental milestone, this is also a testament to the company's vision to restore Bahru Stainless as a leading and sole producer of cold-rolled stainless steel while ensuring seamless vertical integration with sustainability and global competitiveness in mind to spur on existing key revenue drivers.
