Visit of H. E. Mr. José Miguel Corvinos Lafuente, Ambassador of Spain to Malaysia in Bahru Stainless on 6 April 2019

On 6 April 2019, Bahru Stainless welcomed a site visit from our esteem guest, H. E. Mr. José Miguel Corvinos Lafuente, Ambassador of Spain to Malaysia. Spain and Malaysia established diplomatic relations in 1967 and opened Embassies in the respective capitals in 1985.

It should also be noted that Malaysia is one of the main recipients of Spanish investments in Asia, with almost 50 Spanish companies installed and more than a thousand exporting to this country.
